

## Rules on Use of the Visitor Platform on the Apron Near Pier H of the Future Terminal 3

**Dear Visitor,**

Fraport-Ausbau-Süd GmbH (FAS GmbH), on behalf of Fraport AG, is pleased to welcome you to the visitor platform on the apron near Pier H of the future Terminal 3. From here you have an excellent view of the construction site.

For your own safety, we ask you to observe the following rules during your visit:

- You may only enter the visitor platform while accompanied by an authorized guide of the Visitor Service, and must follow their instructions at all times.
- Fraport AG explicitly calls your attention to the fact that every visitor enters the platform at their own risk. In the event of injury or damage, Fraport AG and FAS GmbH accepts no liability whatsoever.
- While in front of, near or on the visitor platform, you are within an apron area that is subject to the terms of the German Aviation Security Act. Any misuse of the visitor platform or violation of the airport user regulations or the Aviation Security Act may be reported to the responsible authorities.
- You may not separate yourself from the group of your own accord, and under no circumstances may you enter apron areas other than those required to visit the platform.
- During your visit, we request you to behave in an appropriate and considerate manner.
- Please keep in mind that you will be held personally accountable for any offences that you commit or damage that you cause.
- The guide may prevent visitors who fail to respect these rules from entering the platform.
- Visitor groups are limited to a maximum of 50 persons. The platform is not designed to support the weight of more than 50 persons at the same time.
- The platform may only be used in good weather. Decisions on whether or not it may be used are made by the responsible supervisor of the Visitor Service.
- The platform is not designed for full accessibility, and is not suitable for wheelchair users or persons who have walking impediments or need to use a walker or other orthopedic aids.
- The platform may only be used by sure-footed persons wearing sturdy shoes. It may not be entered barefoot or while wearing flip-flops (thongs) or shoes with high or pointed heels.
- Children and minors may only enter the platform accompanied by an adult, who is responsible for ensuring that they do not misuse the platform as a climbing area or throw objects from it.
- It is not permitted to smoke, consume alcohol or narcotics, eat or drink on the platform.
- Please do not remain standing under suspended loads, and especially not under cranes.
- If your guide discovers any problems or defects in the platform, it may not be used.

FAS GmbH and Fraport AG reserve the right to impose additional or other rules as required to ensure safe use of the visitor platform on a case to case basis.

**Thank you for your understanding! We wish you an interesting, informative and safe visit.**
