

# FAQs on the Fraport Forum

## 1. What is the Fraport Forum?

The Fraport Forum is an easily accessible multi-use event venue at Frankfurt Airport that can be booked for just about any activity.

## 2. How large is it and what is its capacity?

It has total space of about 1350 square meters and can accommodate up to 200 persons.

## 3. What kinds of events is the Fraport Forum suitable for?

It is ideal for exclusive events, small fairs, conferences, concerts and much else.

On request, Fraport AG also offers supplementary programs, activities, and entertainment that take advantage of the airport's unique cosmopolitan atmosphere.

## 4. What are the parts of the Fraport Forum?

It includes:

- An attractive reception area
- A main event area with permanent lounge seating
- A conference room for up to 100 persons
- A coat check area
- An equipment room
- A small storeroom for chairs etc.

Each of these areas is functionally furnished and/or equipped and technically state-of-the-art.

## 5. Do I have to use certain service providers?

You may freely choose your service providers for catering, equipment etc. The only services you must obtain from Fraport are cleaning and security.

## 6. How much does it cost, and how can I rent the Fraport Forum?

Please send questions and booking requests to the Event Team of Fraport AG at the following address: [eventmanagement@fraport.de](mailto:eventmanagement@fraport.de)

## 7. How do you get there?

The Fraport Forum is located on the pedestrian bridge connecting Terminal 1 and the long-distance train station. It can be conveniently reached when arriving by plane, public ground transport, or car. From Terminal 2, guests can get there using the SkyLine train or the terminal shuttle bus. There is also plenty of parking at the airport and in "The Squire" that can be quickly reached on foot without going outdoors.
