

# FLYING WITH LIQUIDS IS EASY

Which liquids can I take on my flight as hand luggage?

## YOU CAN TAKE.....

**Liquids, aerosols and gels in containers of 100ml or less** packed in a single, transparent, re-sealable 1-litre plastic bag.

**Medicines and special dietary products**  
e.g. baby food

**Duty free in a sealed security bag**  
The items and the receipt must remain sealed inside the security bag provided at the time of purchase.

## YOU CANNOT TAKE.....

Please note that all other liquids must be placed in your checked (hold) luggage.

## AT THE AIRPORT.....

Please present your liquids separately from other hand luggage for screening at security.

Exceptionally, security may open bottles or containers for screening.

**If in doubt ask your airport, airline or retailer in advance of travelling for further information.**
